WELCOME

On behalf of the Sangchris Bass Club (SBC), I would like to welcome you and offer the opportunity to join our membership and participate in our annual “buddy tournaments” at Sangchris Lake State Park. The SBC has 8 qualifying tournaments and a FALL CLASSIC tournament each year.

The Sangchris Bass Club events are non-profit, with all tournaments having an 80% payback of entry fees in cash and trophies, 15% is allocated to the FALL CLASSIC tournament fund, and 5% utilized to offset club expenses such as postage, advertising, miscellaneous supplies, operating expenses, and for charitable donations. After all club expenses are paid; all remaining funds in excess of \$100 will be transferred to the FALL CLASSIC fund.

Member teams are eligible to accumulate “Pounds and Points” and qualify for the FALL CLASSIC tournament at the end each season. There is no grace period given for the accumulation of “Pounds and Points” for any tournament. That is, you must be a member team prior to the start of any qualifying tournament to accumulate “Pounds and Points” for that tournament.

Each member receives an SBC Newsletter following each qualifying tournament. The newsletter will highlight the tournament results and provide an updated “Pounds and Points” standing sheet to enable each member to verify their standings throughout the year. The newsletter and standings are available by mail upon request or on our Web site at sangchrisbassclub.com.

Remember, only SBC members can compete in SBC tournaments and qualify for the FALL CLASSIC. To join the Sangchris Bass Club, simply complete the membership application and return it to me along with the \$50 team membership fee and \$30 sponsorship fee (\$80 total). All checks should be made payable to the SANGCHRIS BASS CLUB.

We look forward to seeing your name in the standing as our new season begins.

Sincerely,

Kimberly Sapetti
Secretary/Treasurer
Sangchris Bass Club

TOURNAMENT JUDGES - INVESTIGATING COMMITTEE

At the request of the Sangchris Bass Club Tournament Officials, the Tournament Judges - Investigating Committee will be asked to resolve issues that may affect the outcome of a Sangchris Bass Club tournament. The judges will base their decisions upon the rules and regulations of the Sangchris Bass Club. Their decision is final and may not be contested.

Only when the three judges and/or alternate judges are unable to reach a common decision, will the tournament director be called upon to make a final decision. However, the tournament director may be asked to clarify a rule before any decisions are made by the tournament judges - investigating committee.

TEAM DEFINITIONS

MEMBER TEAM

A member team will consist of the two (2) contestants whose names appear on the “Application for Team Membership” form, who have paid in full the \$50 team membership dues, and who have been voted on and accepted by the Sangchris Bass Club.

NON-MEMBER TEAM

A non-member team is one who has not completed the “Application for Membership” form who has not paid the \$50 team membership dues, and who has not been voted on or accepted by the Sangchris Bass Club Committee. **As of 2012, Non-member teams will no longer be allowed to compete in Sangchris Bass Club tournaments.**

SPLIT TEAM

A split team is one that consists of one contestant being a SBC member and the other being a Non-SBC member. A split team CANNOT accumulate any “Pounds and Points” and CANNOT qualify for the FALL CLASSIC TOURNAMENT. This does not apply to a member team using an alternate partner whose “Pounds and Points” will be awarded to the regular member team.

TEAM RULES

Member Teams

Once a member team has been established, the two (2) contestants are required to compete together as a team in order to accumulate “Pounds and Points” for that team.

If either contestant of an established member team decides to form a new member team, the original team’s “Pounds and Points” will be frozen at their current values. The original team will cease to compete. The resulting new member team(s) must pay a \$50 team membership application fee in order to establish themselves as a new member team.

If at any time both regular partners of a member team are competing in a tournament in separate boats with different partners, both regular team members will be considered team captains of separate teams and any “Pounds and Points” accumulated in that tournament will be awarded as separate teams and the regular member team will not receive any “Pounds and Points” for that tournament.

TEAM RULES (cont.)

Alternate Partners

In the event that one of the established partners of a member team is absent, an alternate partner be used. Any “Pounds and Points” that are accumulated with an alternate partner will be awarded to the regular member team.

A member team may compete with an alternate partner four (4) times during the regular tournament season including the FALL CLASSIC. The member team is also allowed to compete in as many tournaments as needed with a single team member fishing by themselves.

In extreme situations such as a prolonged or terminal medical conditions or death, it may be necessary for the Sangchris Bass Club Tournament Officials to recommend an amendment to the alternate partner team rule.

Bye Tournament

A member team may pay the appropriate tournament fee for ONE qualifying tournament during the course of the year for which they are unable to attend. By doing so, the tournament will be counted as one of the eight necessary attended tournaments to qualify for the Fall Classic. The member team WILL NOT accrue any pounds and points for using a bye tournament.

AWARDING OF POUNDS & POINTS

Who Is Eligible

Only member teams are eligible to accumulate “Pounds and Points” and qualify for the FALL CLASSIC tournament at the end each season. There is no grace period given for the accumulation of “Pounds and Points” for any tournament. That is, you must be a member team prior to the start of any qualifying tournament to accumulate “Pounds and Points” for that tournament.

NO “Pounds and Points” will be carried over if a new team is formed for any reason.

How Pounds Are Awarded

Pounds are awarded based upon the total weight of a member team’s catch at the official weigh-in of each qualifying tournament. Tournament totals are then combined to calculate each member team’s yearly total which in turn determines their placement in the official Pounds standings.

How Points Are Awarded

A maximum of 100 points will be awarded to a member team based upon their total weight in pounds for each qualifying tournament. Teams who do not weigh-in fish at a tournament will be awarded 25 points for participating.

AWARDING OF POUNDS & POINTS (cont.)

Points for member teams will be awarded as follows:

1st place - 100 points, 2nd place - 99 points, 3rd Place - 98 points, and so on, down to the last team to weigh in fish. In the event of a tie in pounds, both member teams will receive the points for the higher of the two positions and no one will receive the points for the next lower position. The total prize money for the tied position and the next lower position will be split equally between the tied teams. No team can accumulate "Pounds and Points" for more than one finishing place in a tournament.

QUALIFYING FOR THE FALL CLASSIC TOURNAMENT

After completion of the 8 qualifying tournaments for the year, a two-day FALL CLASSIC tournament will be held. Member teams must compete in a minimum of six (6) qualifying tournaments in order to be eligible to qualify.

In order to qualify for the FALL CLASSIC tournament held each year, you must either finish in the top twenty (20) places of either the Pounds or Points standings and competed in at least six (6) qualifying tournaments OR competed in all eight (8) qualifying tournaments during the current year.

FALL CLASSIC Specific Tournament Rules

Should any team that has qualified for the FALL CLASSIC tournament elect not to participate, the field will simply be reduced. That is, a replacement team will not be appointed.

Alternate partners are allowed to fish in the FALL CLASSIC tournament.

TOURNAMENT RULES & REGULATIONS

The decisions of the Sangchris Bass Club Tournament Judges and Officials are final.
